a powerful biblically based model of leadership development based on the life of the apostle paul  
all churches denominations and parachurch organizations are eager for new models of leadership  
development cole uses the life and leadership lessons of the apostle paul to show how to develop  
leaders who are skilled dedicated and always open to learning from experience cole a trusted  
innovative authority uses the four journeys of paul to shows how leaders can grow to be more

influential a publication from the acclaimed leadership network paul the original church planter was very instrumental in the growth of christianity and a perfect model for today s leaders shows how paul s leadership developed over the course of his life to get better and better with time and maturity and how they can do the same

revised and updated edition of the classic work on spiritual leadership in a work of heart bestselling author and missional expert reggie mcneal helps leaders reflect on the ways in which god is shaping them by letting us see god at work in the lives of four quintessential biblical leaders moises david jesus and paul mcneal identifies the formative influences upon these leaders which he sees as god s ways of working in their lives the same influences at work today forming leaders for ministry in our times he explores the shaping influence of culture call community conflict and the commonplace offers guidance for church leaders to let god shape their hearts from the inside out reggie mcneal is the author of the bestselling book missional renaissance gives reassurance for maintaining perspective while doing the demanding work of ministry the book includes illustrative stories of contemporary leaders opening their hearts to god s guidance

in this provocative book author consultant and church leadership developer reggie mcneal debunks these and other old assumptions and provides an overall strategy to help church leaders move forward in an entirely different and much more effective way in the present future mcneal identifies the six most important realities that church leaders must address including recapturing the spirit of christianity and replacing church growth with a wider vision of kingdom growth developing disciples instead of church members fostering the rise of a new apostolic leadership focusing on spiritual formation rather than church programs and shifting from prediction and planning to preparation for the challenges of an uncertain world mcneal contends that by changing the questions church leaders ask themselves about their congregations and their plans they can frame the core issues and approach the future with new eyes new purpose and new ideas

reggie mcneal s bestseller the present future is the definitive work on the missional movement i e the widespread movement among protestant churches to be less inwardly focused and more oriented toward the culture and community around them in that book he asked the tough questions that churches

needed to entertain to begin to think about who they are and what they are doing in missional renaissance he shows them the three significant shifts in their thinking and behavior that they need to make that will allow leaders to chart a course toward being missional 1 from an internal to an external focus ending the church as exclusive social club model 2 from running programs and ministries to developing people as its core activity and 3 from professional leadership to leadership that is shared by everyone in the community with in depth discussions of the what and the how of transitioning to being a missional church readers will be equipped to move into what mcneal sees as the most viable future for christianity for all those thousands of churches who are asking about what to do next after reading the present future missional renaissance will provide the answer

earl creps is known for his work in connecting the younger generation of postmoderns with their boomer predecessors the author of off road disciplines creps in this new book takes up the topic of how older church leaders can learn from younger leaders who are more conversant with culture technology and social context in addition to making the benefits of what he calls reverse mentoring apparent he also makes it accessible by offering practical steps to implement this discipline at both personal and organizational levels particularly in communication evangelism and leadership creps new book is a topic of interest both inside and outside the church as older leaders realize that they re not getting it when it comes to technologies ipod im blogging or cultural issues such as the fact that younger people see the world in an entirely different way creps has been personally involved in reverse mentoring for several years and has spoken and written on the subject extensively he has pastored three churches one boomer one builder on x er and is currently a church planter in berkeley california he has also served as a consultant and and a seminary professor and administrator holding a phd in communication studies and a d min from the assemblies of god theological seminary
